RemoteCon

A (REMOTE) JOURNEY OF 10+ YEARS

330 Awesome Tools for Remote Work

Get the full list with the best apps
for remote work we could find.

WHERE TO START?

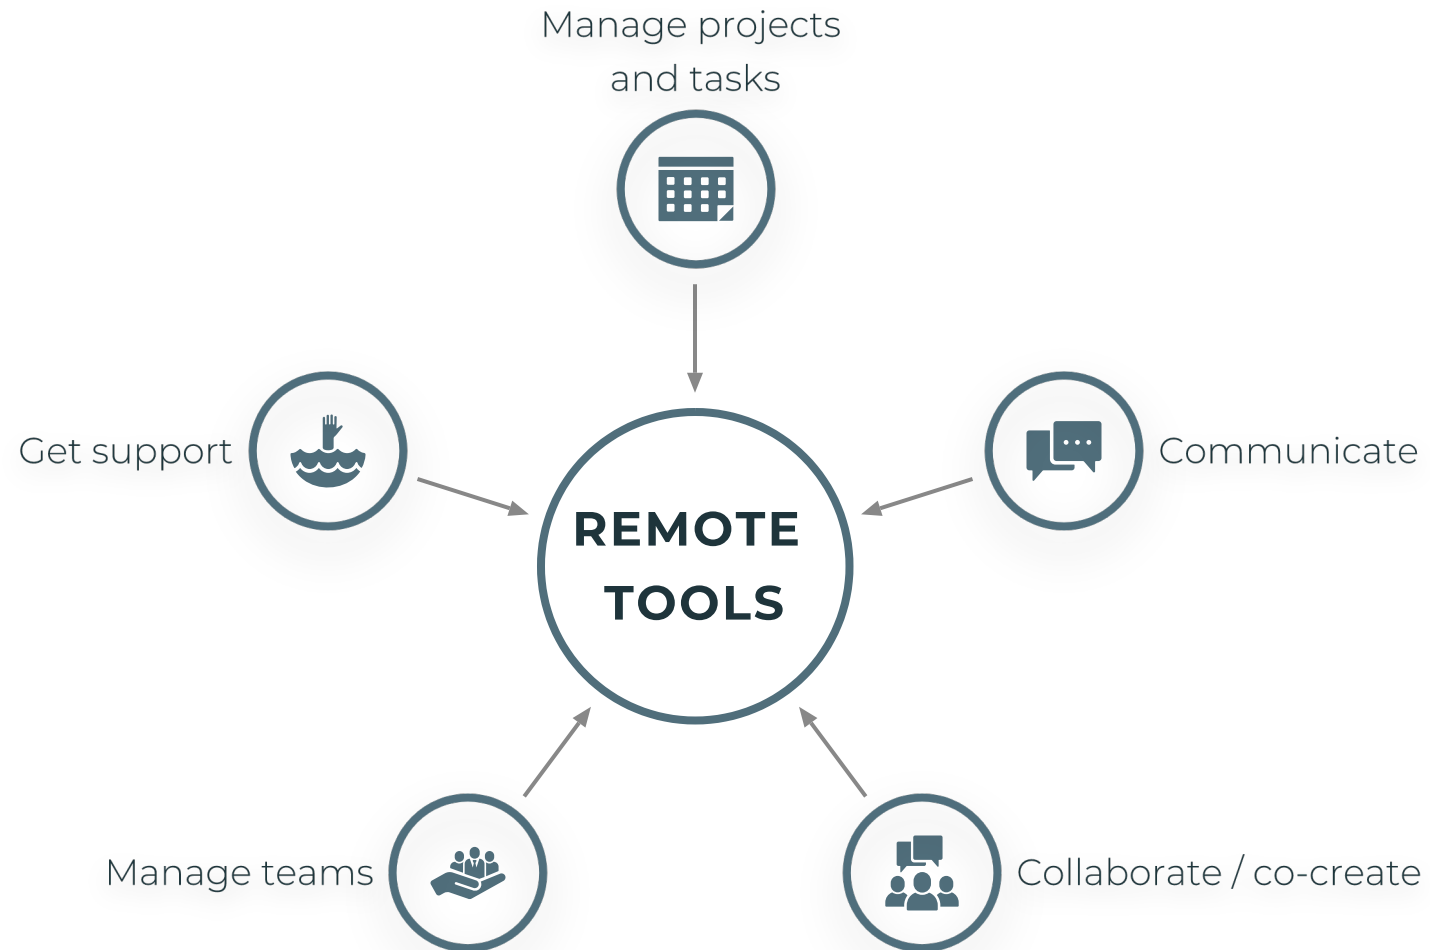

REMOTE WORK IS ABOUT WORK

(a.k.a. delivering value, from anywhere)

JOBS TO BE DONE

EVALUATION CRITERIA

- Works with limited or poor connection
- Mobile friendly
- Easy set-up
- Integration with other tools and processes
- Affordable
- Usability
- Security, privacy, compliance
- Support

OUR FAVORITES

MANAGE PROJECTS AND TASKS

COMMUNICATE

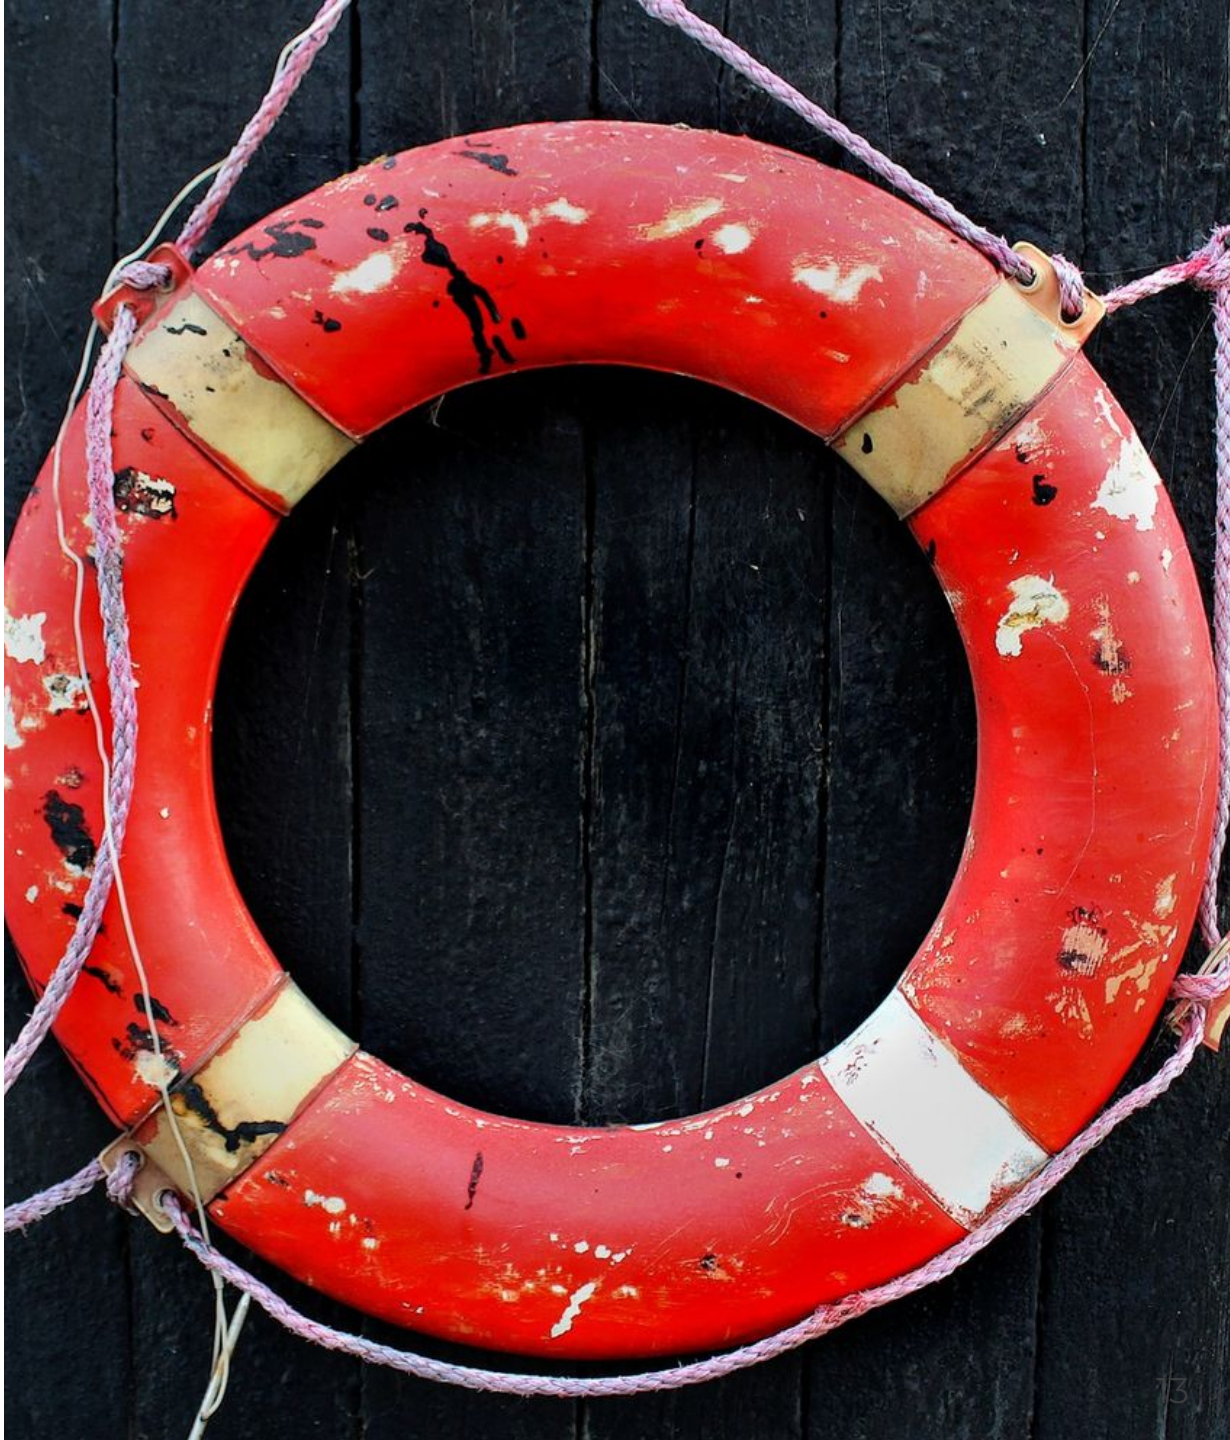

COLLABORATE / CO-CREATE

MANAGE TEAMS

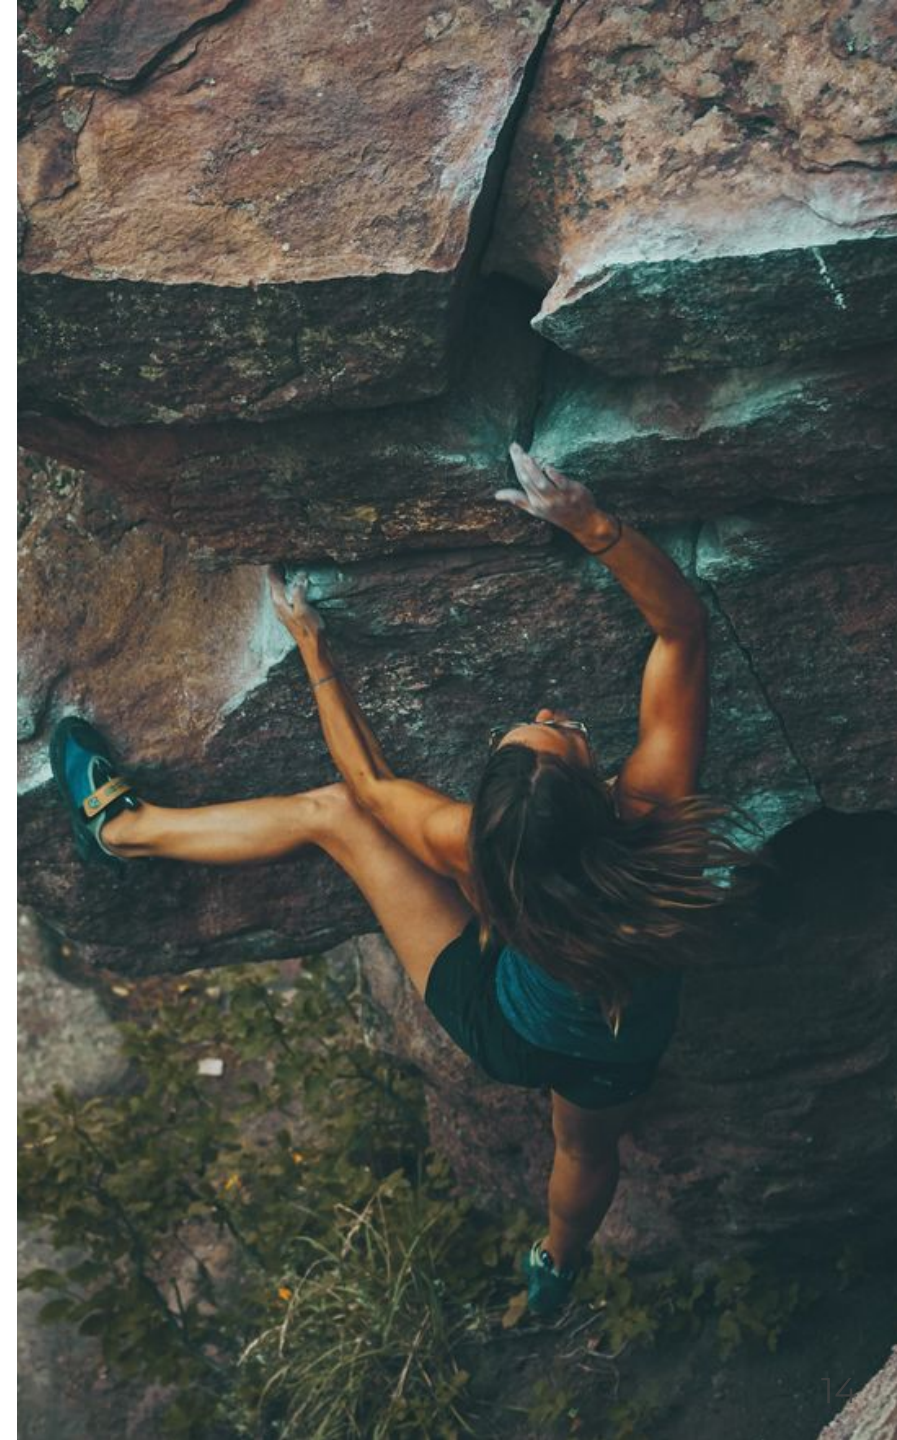

GET SUPPORT

CHALLENGES

- Internal vs. external
(easy vs. not so easy)
- Different corporate cultures
- Digital (il)literacy
- Multiplicity of products in use
- Information overflow / fragmentation
- Context

TAKE-AWAYS

- Tools are just...tools
- Focus on productivity and jobs to be done in first place
- No “best tool”: adapt to context, find what's best for you and your stakeholders
- Just go and try!
